

PRESS RELEASE

NOVEMBER 2021

ASIAN CAPITAL MBA SCHOLARSHIP 2021

For immediate release

Asian Capital has a long history of providing educational scholarships and grants to undergraduates and postgraduate students at various universities and institutions and we are dedicated to supporting students who are pursuing their careers in accounting and financial services. Asian Capital Scholarship is established to award students who excel academically and embody our business principles, which are fundamental to our long-term success and set the standard for everything we do.

Asian Capital Scholarship was once again awarded to MBA students at The Hong Kong Polytechnic University this year. Asian Capital is dedicated to supporting students who are pursuing their careers in accounting and financial services and Asian Capital Scholarship will be granted to a recipient who has outstanding academic achievements, and has demonstrated an interest in corporate finance or accounting.

About Asian Capital

Asian Capital is a leading corporate finance house based in Hong Kong with origin tracing back to 1998 when Asian Capital (Corporate Finance) Limited was first established in response to demands from clients for a finance house with local knowledge and professional expertise in corporate restructuring and resumption. The firm is licensed by the Hong Kong Securities and Futures Commission and is active in providing a wide range of corporate finance services to publicly listed companies and private enterprises, particularly in the areas of corporate resumption, debt and corporate restructuring, mergers and acquisitions, divestments, fund raising and distressed asset recovery.
