**Asian Capital**'s success relies on the excellence, professionalism and experience our team brings to every engagement. Fundamental to our philosophy is a strong commitment to providing consistently quality services that satisfactorily meet the needs of our clients. Our team has significant expertise and local knowledge to provide quality advisory services with unparalleled execution capability and efficiency for our clients.

**WINNER**

Best in Corporate Finance Advisory Services  
Asian Capital Limited

#### **About Asian Capital**

Asian Capital is a leading corporate finance house based in Hong Kong with origin tracing back to 1998 when Asian Capital (Corporate Finance) Limited was first established in response to demands from clients for a finance house with local knowledge and professional expertise in corporate restructuring and resumption. The firm is licensed by the Hong Kong Securities and Futures Commission and is active in providing a wide range of corporate finance services to publicly listed companies and private enterprises, particularly in the areas of mergers, acquisitions, restructurings, divestments, fund raising and distressed asset recovery.
