

PRESS RELEASE

MAY 2019

ASIAN CAPITAL SCHOLARSHIP 2019

For immediate release

Asian Capital has a long history of providing educational scholarships and grants to undergraduates and postgraduate students at various universities and institutions and we are dedicated to supporting students who are pursuing their careers in accounting and financial services. We are deeply committed to give back to the communities in which we live in. This commitment extends both to financial support as well as active participation. The Asian Capital Scholarship is established to award students who excel academically and embody our business principles, which are fundamental to our long-term success and set the standard for everything we do.

In the first half of 2019, the Asian Capital Scholarship was awarded to two students from the International Banking and Finance Program at Lingnan University and the Global Accounting stream students in the Professional Accountancy Program at The Chinese University of Hong Kong for excellence in the academic achievements as part of our unwavering commitment to corporate social responsibility.
